No-Cost De-Escalation and Officer Safety Training Funded and Approved by the U.S. DOJ COPS Office

Polis Solutions in partnership with the U.S. DOJ COPS Office and the Center for Public Safety Innovation at St. Petersburg College (CPSI) is pleased to offer eligible agencies two, one-day de-escalation and officer safety classes. All training costs are covered by COPS Office funding.

Our **T3 – Tact, Tactics, and Trust** training program is an interactive, evidence-based course that teaches officers how to balance skills of influence and skills of control across the full range of police-community interactions. T3 has been delivered to thousands of officers across the United States, and has undergone a rigorous, independent evaluation by the U.S. DOJ.

T3 is designed to improve officers' capacity to be agile, adaptable, creative decision-makers who can resolve difficult situations in a safe, lawful, and ethical manner. Our holistic, interactive training method challenges officers to think on their feet and work actively as a team, not sit passively and memorize lectures.

Our 2022 training calendar is full, and we are now scheduling classes for 2023. We invite you to contact us to discuss your training needs, and hope to have the opportunity to work with your agency.
